Day 7-8: Savuti

Savuti with its diverse and striking landscapes will be your next destination. As you continue your search for wildlife, you will traverse the drier region of Savuti where bull elephants dot the plains. You will then head to the Savuti waterholes where all the animals come to have their drinks twice a day, because the Savuti channel is dry and there are some water holes provided by the authorities. You will also have the chance to visit the rock paintings hills, where you will see the paintings done by the bushmen. Camping will be in private designated areas with bush ablutions.

Day 9-10: Chobe National Park

After a morning game drive you will drive to the other side of the park. Chobe National Park, with its diverse and striking landscapes, will be your next destination. As you continue your search for wildlife, you will traverse the wet region of the Chobe National Park. You will then head northwards to the Chobe River where your game drives will meander along the banks of the river, followed by the call of the majestic African Fish Eagle. You will spend two nights doing activities in this area.
