Your guide will meet you at the Kasane International Airport or your hotel. The guide will give you a full breakdown of the tour and a preview of attractions to look forward to. After a short briefing, we head to the camp inclusive of spacious dome-style walk-in tents, 2 picnic chairs per tent, and wash basins. All meals (breakfast, lunch, dinner) are provided. Our staff crew that will handle the camp chores includes a chef, driver, professional guide registered under the Botswana Guides Association (BOGA) as well as camp assistants.

Day 2: Chobe National Park

We rise early and after a healthy breakfast, we go on a game drive along the mighty Chobe River to see animals as they come to drink. You can also expect to see predators as they prepare for the day's rest after a hectic night. After lunch is served, there is time to chat and relax as you wait for the afternoon sundowner drive to catch the animals as they go for the last drink of the day.
